

Tom Riviello, LMHC, P.C. - Counseling Services

I'm right next to the Downtown Burger at 5 Points Café in Sayville.

If you are traveling from the North you can take Lakeland Avenue all the way south (turns into Railroad Ave) toward the town of Sayville. Before you hit Montauk Highway, there will be a shopping center on your left with a Carvel, pizza place, etc... Please make a left and park in that lot and cross the street to the side that 5 Points Café is located on. My building is the next store to the 5 Points Café. My office is located above Dorothy's Jewelry Store. There is an outside door, please walk through and up the staircase. My office suite door is the first left. There are chairs straight ahead if you need to sit and wait.

Directions from Points East and south of Sunrise Highway. – Take Montauk Highway west into the main traffic light in Sayville – make a right on Railroad Ave. and make your next right into the shopping center parking lot. Follow the directions above.

Directions from points West and south of Sunrise Highway – head east on Montauk Highway through downtown Sayville. Make a left on Railroad Ave. Make first right into the shopping center parking lot. Follow the directions above from that point on.
